

All About Me

Family Counters

Use the clip art below for a variety of activities:

Matching, coloring pictures, learning positional words, recording patterns, creating addition story problems, and much more.

Family Counters

Sorting by Color

Grab a handful of counters. Sort the figures into the correct area. Count how many figures are in each area. Write the number to match.

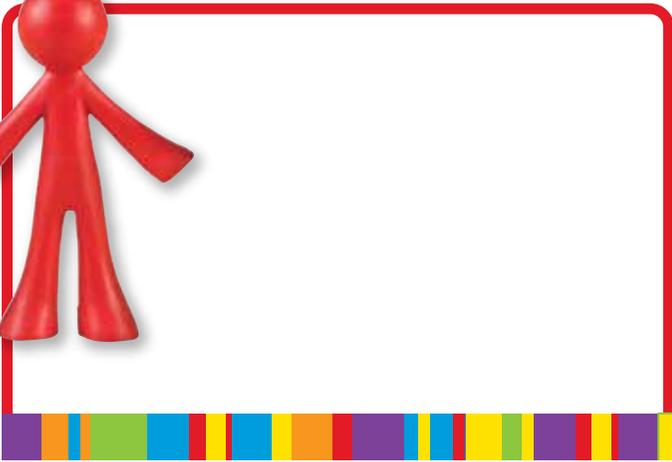

All About Me

Family Counters

Sorting by Shapes

Grab a handful of counters. Sort the figures into the correct area. Count how many figures are in each area. Write the number to match.

Family Counters

Create Your Own Sort

Use the areas below to create your own sorting activity. Draw or write attributes in each area and then have children use the counters to sort.
