## 1.5L Slimline Quaddie & 2L Quaddie

1.0 Remove bottle from the Quaddie™ and unscrew the lid.

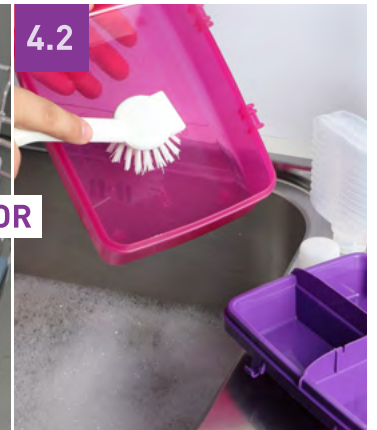

2.0 Open the three top covers of the Quaddie™, grip the covers together and pull up to remove from the Quaddie™ tray.

3.0 Open the Quaddie™ so the hinge is at 180 degrees. Pull the tray up to release from the base container.

4.1 Wash the Quaddie™ lid covers, tray, base, bottle and bottle lid in the dishwasher (top rack only). or..

4.2 Hand wash all components with hot soapy water.

5.0 Ensure all components of the Quaddie™ are completely dry before reassembling. Line up hinges on the Quaddie™ base and tray and push down on each hinge till they click back into place.

6.0 Screw lid back onto bottle and replace inside the Quaddie™ tray. Slot the lid covers back into place on the tray and close. Enjoy!
