### **Alox Limited Edition 2017**

Small Pocket Knives | 58 mm Companion  
Medium Pocket Knives | 84 mm Original Swiss Army Knives, small models  
Medium Pocket Knives | 93 mm Pioneer Range

Available: as of April 10th 2017

The «Alox Limited Edition» will be launched for the third time this year and includes three pocket knife models. The Classic (58 mm), the Cadet (84 mm) and the Pioneer (93 mm). The olive-green alox scales characterize this year's edition. These are stamped from aluminum, embossed and anodized in a subsequent working step.

The anodic process produces a protective layer by anodic oxidation and gives the scales their color. This oxide layer is hard and provides for additional protection against damage and corrosion. These three models will be launched in a new color every year. Each edition is limited to one year and the corresponding year is engraved on the back of each piece.
