WILD DESIGN IDEAS

Victorinox has launched the Classic Limited Edition Design Contest for the sixth consecutive time now. For the first time, creatives were given a theme: «Animals of the World». An astounding total of 1 254 creative ideas were submitted from all over the world.

This year's collection comes from Switzerland, Germany, Romania, Mexico, Denmark, Australia and the USA. The number of countries that participated are as varied as the designs submitted. From mystical fireflies to woodworms, to colorful dragonflies. We have implemented the ten most popular ideas.
